ED388 Chimie Physique Chimie Analytique Paris Centre

# Annual Report : « Comité de Suivi individuel de thèse »

Document to be completed and submitted on ADUM by the PhD candidate before any new registration. **It is mandatory to use this form and it is forbidden to modify or delete pages otherwise the document will be rejected automatically and your re-enrollment will be blocked.**

## Part I (to be completed by the PhD candidate)

**Date:** …….

**Members of the committee:** …….

**NAME/surname of the PhD candidate:** …….

**Registration year n°……..**

**Thesis title …..**

**Laboratory: ……**

**Supervisor(S)**
**Name: ……**
**Rate of supervision:**
……..

**REPORT (2 page max.)**

**Summary of the main results: strengths/weaknesses**

……
……

……
……
……
……

**Perspectives for the coming year***

Describe the steps to be completed, their order and the expected duration and time**.**

.....
.....

.....
.....

.....
.....

## *Work plan (To be completed from the second year of the thesis)*

| **Steps still to be completed** | **Period** |
|---|---|
| Study still to be completed<br>- | |
| Analysis and interpretation of the results:<br>- | |
| Bibliography :<br>- | |
| PhD valorization:<br>- Congress<br>- Articles<br>- … | |
| Manuscript redaction:<br>- Part A<br>- Part B<br>- …. | |
| Proofreading of the manuscript:<br>- Part A<br>- Part B<br>- … | |
| **Estimated date of PhD defense (mandatory)** | |

**I confirm that I have read and consider this plan as realistic**

| **Signatures** | **Date :** | |
|---|---|---|
| PhD Candidate | PhD supervisor | PhD co-supervisor |
| Scientific expert | Lab representative | ED388 representative |

- **Part II (*to be completed by the doctoral school representative with the assistance of the committee*)**

*AT THE END OF THE PRESENTATION AND DISCUSSION, THE COMMITTEE MAKES THE FOLLOWING ASSESSMENT:*

| | CRITERIA | ADVICE | | | COMMENTS |
|---|---|---|---|---|---|
| | | □□ | ± | + | |
| 1 | Quality of the report | | | | |
| 2 | Quality of the oral presentation | | | | |
| 3 | Skills of the candidate | | | | |
| 4 | Progress of the PhD work | | | | |
| 5 | Identification of work packages, specific aims and project flow | | | | |
| 6 | Number of publications | | | | |
| 7 | Number of communications | | | | |
| 8 | Doctoral training | | | | |

□ : weakness / + : strength

**Conclusions/recommendations:**

.....
.....

.....

.....

► **The committee members recommended / do not recommend* the registration in ..... year.** *(* in case the doctoral school representative is invited to contact the doctoral school).*

| **Signatures** | **Date :** | |
